The screenshot displays the 'Billing Page' in the SDS Manager interface. The page title is 'Billing Page' and it includes a search bar at the top. The main content area is titled 'Choose the plan that is right for you' and features three subscription plans: Basic, Premium, and Pro. Each plan is presented in a card format with a list of features, a quantity selector (set to 100 SDS), and a price per month (US\$19, US\$39, and US\$59 respectively). Below each plan is a 'PURCHASE' button. A user menu is open on the right side of the page, with the 'Subscription' option highlighted in a red box. The menu also includes options like 'Manage account', 'Organization profile', 'User management', 'Go live checklist', 'English', 'Invite members', 'Import product lists', 'Settings', and 'Logout'. The left sidebar contains navigation links for 'Dashboard', 'All my SDSs', 'My locations', 'Manage SDS Library', 'Global SDS Search', 'SDS compliance', 'Manage QR codes', 'Risk assessment', 'Job procedures', and 'Reports'.
