

Sikkerhedsdatablad-inventarstyring i brug

Hvad sker der, hvis jeg har brug for flere sikkerhedsdatablader inkluderet i vores abonnementsplan?

Hver af vores abonnementsplaner giver dig mulighed for at opbevare et bestemt antal sikkerhedsdatablader i dit bibliotek.

Se vores [prisplan](#) og beslut, hvilken der er mest egnet til din organisation. Gå derefter til "Abonnement"-siden for at bestille din ønskede plan.

The screenshot displays the 'Billing Page' of the SDS Manager application. At the top, it states: 'SDS Manager has subscription plans to meet a variety of budgets and needs. You can start with our free-plan to test our solution to see if it fits your needs.' Below this, a slider allows users to 'Select how many Safety Data Sheets you need in your library' with options from 100 to 4,000+. There are two tabs: 'Billed Monthly' (selected) and 'Billed Annually'. Three plans are shown: Basic (\$19/mo), Premium (\$39/mo), and Pro (\$59/mo). Each plan lists its features and has a 'PURCHASE' button. A sidebar on the right contains a user menu with options like 'Manage account', 'Organization profile', 'User management', 'Subscription' (highlighted with a red box), 'Go live checklist', 'English', 'Invite members', 'Import product lists', 'Settings', and 'Logout'. The 'Your Current Plan' section on the right shows the 'Premium' plan with a trial period until 2024-10-27.

Bemærk også, at vi tilbyder gratis prøveperioder for vores abonnementsplaner.

På "Abonnement"-siden klikker du på blyantikonet og ændrer til dit ønskede abonnement for prøveperioden.

This screenshot shows the 'Your Current Plan' section. It features a large 'Pro' label with a pencil icon, indicating it can be edited. Below it, it states 'Trial period until 2024-10-01'.
