

Migrering af vores sikkerhedsdatabladfiler til SDS Manager

Hvordan migrerer vi vores nuværende Sikkerhedsdatablad-binder til SDS Manager?

Hvis du allerede har Sikkerhedsdatablad-binder for hver af dine lokationer, kan du simpelthen uploade Sikkerhedsdatablad-binderfilen til en lokation i vores SDS Inventory Manager. Vi vil automatisk læse den PDF, du importerer, og finde ud af hvilke Sikkerhedsdatablader der er i filen og tilføje dem automatisk til lokationen.

Med denne metode kan du fylde din SDS Inventory Manager med tusindvis af Sikkerhedsdatablader på få minutter. Det eneste krav er, at du har en Sikkerhedsdatablad-binder for hver lokation i din virksomhed.

Show other methods to add Safety Data Sheets to location

UPLOAD FROM URL

I know the URL where the Safety Data Sheet can be downloaded from the internet.

MANUALLY ENTER PRODUCT

I cannot find any Safety Data Sheet file for my product. Until I get the Safety Data Sheet file, I want to store all the product information I know. The Safety Data Sheet file can be added later.

IMPORT SDS-BINDER

I have a PDF-SDS Binder with all Safety Data Sheets I want to import to this location.

IMPORT ZIP-FILE

I have all Safety data sheet files for this location in a folder on my PC. I have compressed the folder to a zip file and want to import them to this location.
