

Getting Started with SDS Manager

How to Create an Avery/Brady Label for an SDS PDF?

Here is how to create an Avery/Brady label for an SDS PDF:

Step 1: In **SDS Inventory Manager**, open the **“All My SDSs”** or **“Manage SDS Library”** page.

Step 2: Find the product for which you want to create a label with a QR code, then click on the  icon next to the SDS to add it to the print list.

The screenshot shows the SDS Manager interface with a table of SDS entries. The top navigation bar includes tabs for 'General', 'Hazard', 'Revision', 'Risk', and 'Personalized view'. The table has columns for 'Signal word', 'Pictograms & Controls', 'Substance hazard', and 'Actions'. A red arrow points to a printer icon in the 'Actions' column of the first row, which has a tooltip that says 'Add to print Avery/Brady label'. The first row has a signal word of 'Danger', four pictograms (flame, exclamation mark, biohazard, flame over circle), and hazard codes H2, S3, and E1. The second row has a signal word of 'Danger', two pictograms (flame, exclamation mark), and hazard codes H2, S3, and E1.

Step 3: After selecting all the SDSs you want to print, click on the same  icon near the 

button to open the modified print page. Here, you can customize the print format for the selected SDSs.

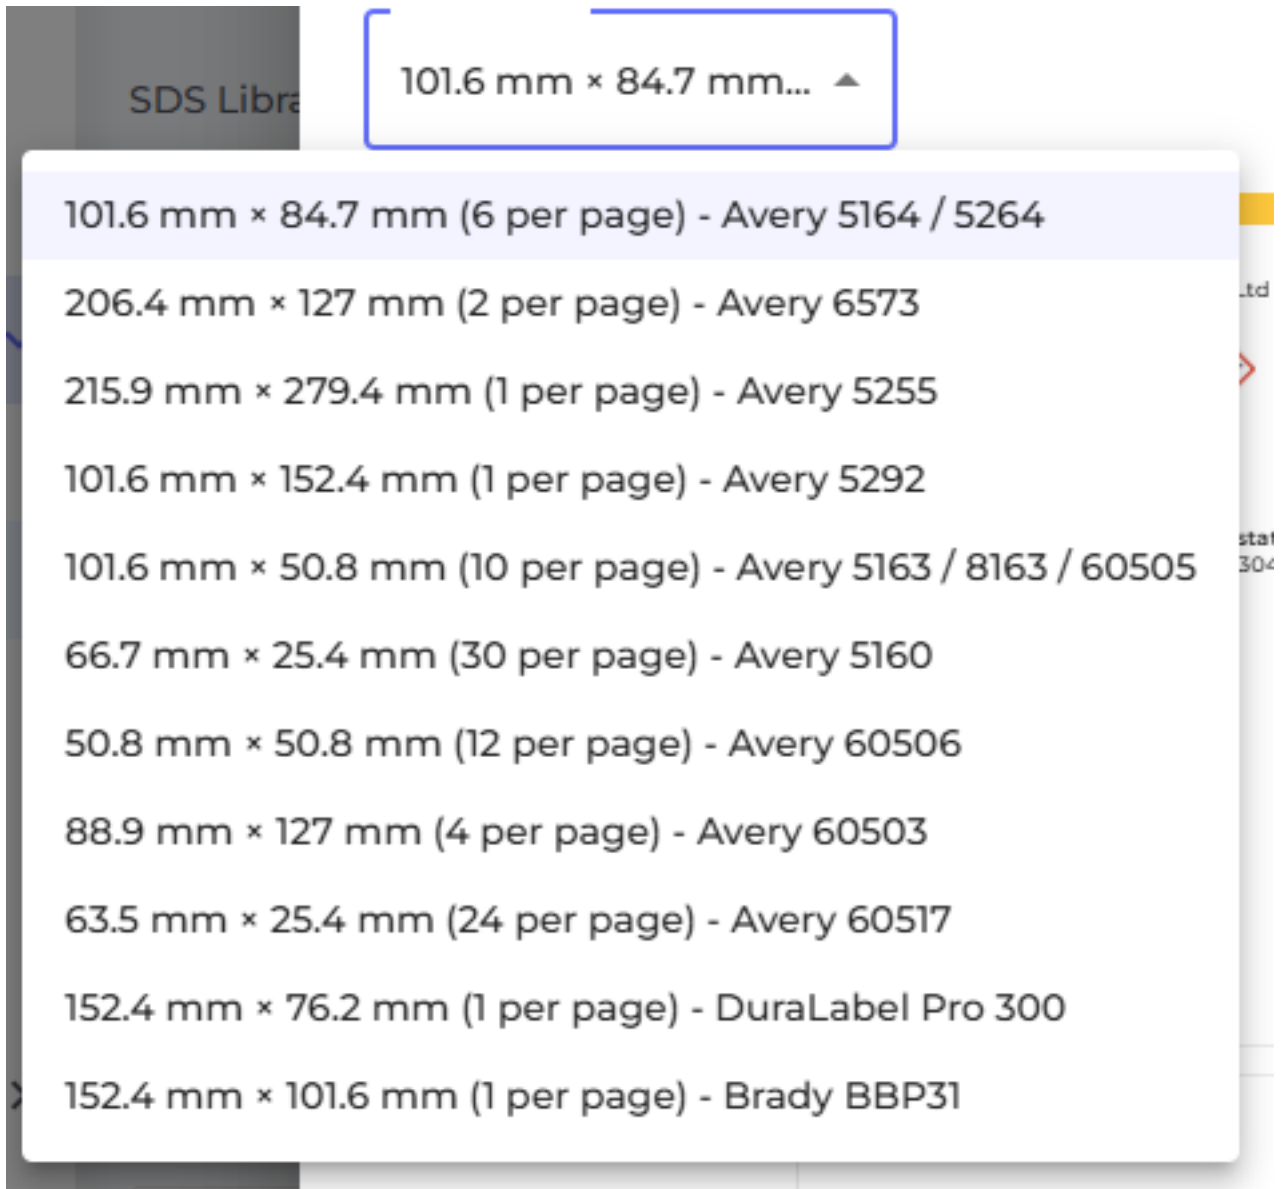

Getting Started with SDS Manager

The screenshot shows the SDS Manager interface. At the top, there are tabs for 'General', 'Hazard', 'Revision', 'Risk', and 'Personalized view'. A red arrow points to the 'Personalized view' tab. Below the tabs, there are two rows of data for 'Danger' substances. Each row includes a signal word, pictograms, hazard codes (H2, S3, E1), and action icons.

Signal word	Pictograms & Controls	Substance hazard	Actions
		H S E	
Danger		H2 S3 E1	
Danger		H2 S3 E1	

We support various Avery/Brady print formats, such as those listed below:
