Is it possible to extend the trial period if I need more time to test SDS Manager?

Yes. The free trial lasts 30 days. If it has run out and you need more time, the owner of the account can start another 7-day trial:

1. Sign in and click **More** → **Subscription**.
2. In the window **Start another 7 days trial for your team**, click **Reset trial**.

Need more time than that? Contact us and we will gladly extend your trial.

The trial ends by itself. A paid subscription only starts if you order one, and you can stop it at any time: there is no lock-in period. Read more: How can I start and pay for a subscription?

Instead of a new trial, you can also switch to the Free plan (up to 200 SDSs): Getting started: Free version of SDS Manager
