

Getting Started with SDS Manager

Can I change our subscription plan during the trial period?

In the trial period, we allow our users to change their subscription plan. See our [Pricing plan](#) and decide which is most suitable for your organization.

Go to the 'Subscription' page, click on the pencil icon, and change to your desired subscription for the trial period.

The screenshot displays the 'Billing Page' in the SDS Manager interface. It features a search bar at the top, a navigation sidebar on the left, and a main content area with three subscription plans: Basic, Premium, and Pro. Each plan includes a list of features, a dropdown menu for the number of SDS units (set to 100), and a price per month. The Pro plan is currently selected, and a 'Your Current Plan' panel on the right shows 'Pro' with a pencil icon and a trial period end date of 2024-10-01. A user menu is open on the right, with the 'Subscription' option highlighted in red.

Plan	Price /mo	Features
Basic	US\$19	Mobile access for all users, GHS labels included, Upload your own SDS, Secondary container labelling (GHS) with QR Code

The 'Your Current Plan' panel shows the 'Pro' plan selected with a pencil icon. Below it, the text reads 'Trial period until 2024-10-01'.
