If I run into a problem, how can I report this problem and ask for help?

You can send us a message from SDS Manager:

1. Go to the **Dashboard**.
2. In the **Guides & Help** panel, under **Can't find what you need?**, click **Contact Us**.
3. In the **Contact Us** window, enter a **Subject** and describe the problem. To attach a file, for example a screenshot or an SDS, click **UPLOAD FILE**.
4. Click the send button. SDS Manager shows **Message is sent**.

Don't see the panel? You may have hidden it. Click **Show all** in the **Hidden panels:** bar at the top of the Dashboard to bring it back. During the free trial, you can also click **Need help?** at the top of the Dashboard.
