

# Miscellaneous

## If I run into a problem, how can I report this problem and ask for help?

To do this, click on the "Contact Us" button on the "Dashboard" page.

The screenshot shows the SDS Manager Dashboard. On the left is a navigation menu with items like 'Dashboard', 'All my SDSs', 'My locations', 'Manage SDS Library', 'Global SDS Search', 'SDS compliance', 'Manage QR codes', 'Risk assessment', 'Job procedures', and 'Reports'. The main content area displays several metrics: 'Locations I have access to' (6/6, 100%), 'Outdated Safety Data Sheets' (1/56, 98%), 'SDS Approved' (0/55, 0%), and 'Risk Assessed Products' (0/43, 0%). Below these metrics is a section titled 'Do you need help to get started?' with a question mark icon and the text 'Do not hesitate to contact us for assistance.' A yellow 'Contact Us' button is highlighted with a red rectangular box. To the right of the dashboard, there is a QR code and a 'Print QR poster' button. At the bottom of the dashboard, there are fields for 'Emergency agency' and 'Phone'.

Fill out subject, describe your problem, and attach a file (optional), then click on 'Send' button.
