SDS Authoring - how to upload an SDS file

To access an uploaded SDS file in the Authoring tool, you first have to upload the SDS file using [SDS Inventory manager \(Require login\)](#)-

The screenshot shows the 'global-sds-search' page in a browser. The page title is 'Search for Safety Data Sheet in our database of 13Million+ Safety Data Sheets'. A search bar contains the text 'Product, Supplier, CAS#, UFI#, EU No.' and has a magnifying glass icon. To the right of the search bar is an 'Advanced search' button with a red '2' notification. Below the search bar, there is a 'Recently added' section with three items: 'STP Engine Oil Stop Leak + No Smoke Building A' with a 'peligro' label and H5, S1, E1 hazard pictograms; '1/11 Building A' with a 'Sin' label and H1, S1, E1 hazard pictograms; and 'Propylene Glycol Building A' with H1, S1, E1 hazard pictograms. Below this, there is a section titled 'Already have the PDF-file of the Safety Data Sheet you want to add to your library?' with a sub-heading 'You can also add the Safety Data Sheet to your library by simply uploading the PDF-file.' A large blue box contains a file upload area with the text 'Drop your PDF, ZIP or RAR files here' and a 'Browse File' button with an information icon. A red box highlights the 'Browse File' button.

Next open the SDS Detail page and you will find the SDS_ID at the bottom of the window.

Miscellaneous

SECTION 16: Other information

13726109-42966310

Use the SDS_ID when searching for the SDS in SDS Manager Authoring tool.

The screenshot shows the SDS Manager Authoring tool interface. A modal window titled "Select SDS to import" is open, displaying a search results table. The search input field contains the SDS ID "13726109". The table lists one result: "STP Engine Oil Stop Leak + No Smoke" by "Energizer Manufacturing, Inc", with a revision date of "2024-07-29", "US" regulations covered, and "Spanish" language. The background shows a list of SDSs with columns for Product name, Supplier name, and Updated date.

Name	Supplier name	Revision date	Regulations covered	Language
STP Engine Oil Stop Leak + No Smoke	Energizer Manufacturing, Inc	2024-07-29	US	Spanish

Unique solution ID: #1210
