How do I create a product label with QR code to access SDS information?

QR code to access SDS is included in our customized Container Label and any other documents exported for our customers (exports of SDS Binders, Risk Assessment, Job Procedures, and Reports).

Here is how to create a label with a QR code to view the SDS PDF:

Step 1: In SDS Inventory Manager, open the 'All my SDSs' or 'Manage SDS Library' page.

Step 2: Find the product you wish to create a label with a QR code and click on the 'Print Label' button in the Actions column:

Step 3: Choose your desired label size, then download or print:
