List SDS in my library that contain hazardous substances - which regulatory restricted lists are checked?

On the <u>Hazardous substances page</u> (require login) in SDS Manager, you can see what SDS contain components that are listed on restricted lists.

Currently, the following lists are supported:

ZDHC GADSL GLAPS

United States

California Hazardous Substances List
CalSAFER
EPA Clean Air Act List of Hazardous Air Pollutants
EPA Drinking Water Contaminant Candidate List
EPA RMP List
OSHA List of Highly Hazardous Chemicals, Toxics and Reactive
Prop 65
Z-1 Table OSHA
Pennsylvania Hazardous Substance List
Toxic Substances Control Act (TSCA) Inventory
Z-2 Table OSHA
CERS Data Registry List
Z-3 Table OSHA

Canada

CA toxic substances

Switzerland

MAK-Werte Anhang_7_Chem Anhanh_3_Chem BAT-Werte

European Union

REACH Annex IV Submitted Recommendations REACH Annex XVII REACH Authorisation list ECHA Candidate list ROHS restricted sub SIN List* REACH restricted

When any of the regulatory lists contain a CAS# that is present in an SDS in your library, the SDS will

| be listed and the CAS# will be shown together with the concentration of the component in the product. |
|---|
| You can also export the list of products from the hazardous substances list to an Excel file. |
| |
| |
| |
| On the settings page (require login) you can set which regulations are relevant for you |
