Add SDS to our new library

How can I add an SDS to multiple locations in one operation?

From our <u>Global search page (require login)</u> and <u>All Our SDS (require login)</u> you can add an SDS to multiple locations in one operation as shown in the below image by multi selecting locations.
On <u>All our SDS</u> (require login) you can add an SDS already in your library to multiple locations at the same time. See the steps in the image below:
