## Kuidas hallata teavitusi SDS Manager

Oma [SDS Manager account](#) saate aktiveerida järgmised e-posti teavitused

- Uus ohutuskaardi taotlus
- Sõnum SDS Manager
- Sõnum tarnijalt
- Ohutuskaardi uus versioon
- Ohutuskaart on automaatselt uuendatud uuele versioonile

The screenshot displays the SDS Manager web application interface. On the left is a vertical sidebar with various icons for navigation. The main content area is divided into sections: 'General Information', 'Security', and 'Email notifications'. The 'Email notifications' section is highlighted with a red border and contains a list of notification types with toggle switches, all of which are currently turned on. At the bottom of this section is a 'Save settings' button. On the right side of the interface is a user profile dropdown menu, also highlighted with a red border, showing the user's name 'Erlend Bruvik' and company 'Test Corporation Inc.', along with a list of account management options like 'Manage account', 'Organization profile', 'User management', 'Subscription', 'Go live checklist', 'Impersonate', 'English', 'Invite members', 'Import product lists', 'Settings', and 'Logout'.
