The screenshot shows the SDS Manager interface. At the top, there is a search bar and a navigation menu. Below the search bar, there is a table of chemical products. The table has columns for Product Name, Supplier Name, Signal word, Amount, Pictograms & Controls, Substance hazard, and Actions. Two products are listed: Accurate S10 Fuel Marker (Dow) and Barium nitrate. The Pictograms & Controls column for both products is highlighted with a red box, showing various PPE icons such as gloves, goggles, and a respirator.
