

# Print Label

How do I print a label for a product in the SDS Inventory Manager?

The SDS Inventory Manager allows you to print labels for products. The label contains the product name, hazard pictograms, and other information. (For more information, see the user manual, the help page, or the support page.)

The following steps describe how to print a label for a product:

**Step 1:** In the SDS Inventory Manager, click 'Products' or 'Product List' in the left-hand menu.

**Step 2:** Select the product you want to print a label for. Click 'Print Label' in the actions menu.

**Step 3:** The label is printed. You can also print a label for a product in the 'Product Details' view.
