

Getting Started with SDS Manager

How to Create an Avery/Brady Label for an SDS PDF?

Here is how to create an Avery/Brady label for an SDS PDF:

Step 1: In **SDS Inventory Manager**, open the **“All My SDSs”** or **“Manage SDS Library”** page.

Step 2: Find the product for which you want to create a label with a QR code, then click on the  icon next to the SDS to add it to the print list.

Step 3: After selecting all the SDSs you want to print, click on the same  icon near the 

button to open the modified print page. Here, you can customize the print format for the selected SDSs.

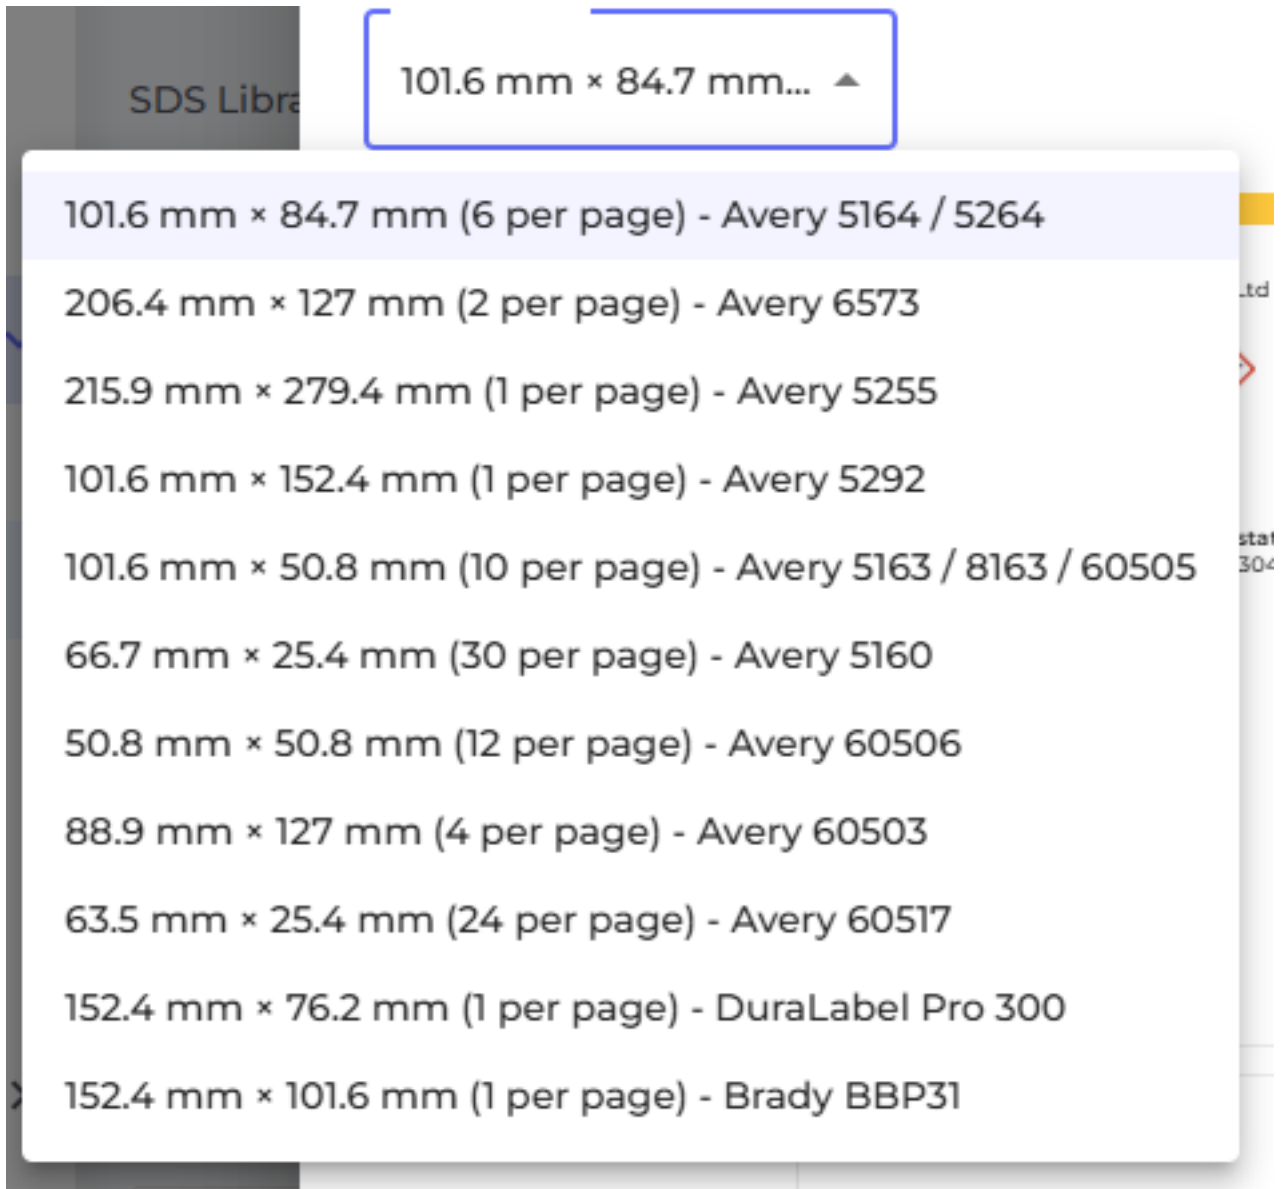

Getting Started with SDS Manager

The screenshot shows the SDS Manager interface with the following elements:

- Navigation tabs: General, Hazard, Revision, Risk, Personalized view (selected), and a menu icon with a notification badge '2'.
- Table headers: Signal word, Pictograms & Controls, Substance hazard (H, S, E), and Actions.
- Table rows: Two rows of SDS data, each showing 'Danger', four pictograms, hazard codes H2, S3, and E1, and a set of action icons.

We support various Avery/Brady print formats, such as those listed below:

Getting Started with SDS Manager

Now, you can print any Avery/Brady label as you wish.
